WELCOME TO THE OFFICIAL SCIENTIFIC PROGRAM OF EFRE CONFERENCE 2026

where distinguished experts, researchers, and healthcare professionals gather to exchange knowledge, discuss innovation, and explore the future of reproductive medicine and embryology.

This program reflects two days of advanced scientific sessions, interactive discussions, international collaborations, and cutting-edge updates across IVF, embryology, reproductive surgery, infertility management, and women's health.

We are honored to welcome you to an exceptional educational experience designed to inspire meaningful dialogue and professional growth.
